

PROJECT NAME: GIGA DIGITAL CONNECTIVITY IN SCHOOLS

PROCUREMENT NO: *DCEP/DSTI/OSDB/NCB/GO/01*

Financing No: *SLE1021*

Client: The Directorate of Science, innovation and technology

Contractor: S&H Cable and Wireless JV

BACKGROUND

The GIGA School Connectivity Project, funded by the Islamic Development Bank (IsDB), aims to enhance access to and expand digital connectivity in schools across Sierra Leone. By providing both solar energy and internet facilities, the project supports underserved schools in improving educational outcomes and fostering community development.

Objectives

The project is supported by funding from the Islamic Development Bank for 403 schools. The project targets include:

- ❖ Providing Internet Access for 47,891 students.
- ❖ Enabling 1,498 teachers to access online academic resources through Internet Services.
- ❖ Establishing 403 School Computer Hubs across sixteen (16) districts.
